EDUCATION

University of Arkansas at Pine Bluff- <i>GPA: 4.0 /4.0</i>	Pine Bluff, Arkansas
Major: BSc Computer Science, BSc Mathematics	Graduation: May 2027
Relevant Coursework: Data Structures and Algorithms, Software Engineering, Computer Networking, Computer Architecture, Calculus I–III	
Certification: Google Data Analytics Machine Learning with Python Introduction to Python	
Honors and Scholarships: CodePath Scholar UAPB Foundation Scholarship University Scholarship 2024 & 25 Chancellor’s List	

PROFESSIONAL SKILLS

Languages: **Python, C++, JavaScript/TypeScript, HTML/ CSS, SQL**
Frameworks/Tools: React, Next.js, Node.js, Express, Firebase, PostgreSQL, Tailwind, Git, Tableau
Core Skills: Agile development, API design, debugging, code review collaboration, data analysis

PROJECTS

GoldenFinance – AI-Powered Community Investment Platform	Nov 2025
- Built automated API validation and reliability checks, resolving data inconsistencies and improving backend performance by 30%. - Created debugging and monitoring tools that strengthened system reliability across multi-user sessions.	
MyDiabetiCare – AI Diabetes Management App	Jul 2025
- Implemented testable UI components and validation flows, increasing system accuracy and feature stability. - Performed iterative debugging and test-case reviews, enabling competition-ready reliability.	
Study Group Matcher – Fullstack Matchmaking Platform	Jun 2025
- Developed server-side matching logic with unit and integration tests to ensure consistent filtering accuracy. - Optimized error handling and data flow, reducing UI inconsistencies across devices by 40%.	
Flashcards Generator – AI Study Tool	Oct 2024
- Built automated validation checks for AI-generated content to ensure accuracy and consistency. - Implemented secure request-handling and tested subscription + API flows to maintain reliability under load.	
Telehealth Platform – Hackathon 4 th Place	Jul 2024
- Led QA efforts, writing test cases and resolving defects for appointment scheduling and first-aid AI features. - Improved platform stability and uptime through structured bug reporting and focused debugging.	

WORK EXPERIENCE & VOLUNTEERING

HEADSTARTER AI	Remote
AI Engineering Fellow	July 2024 – Sept 2024
- Delivered 5+ production-ready projects using React and Firebase, each with automated validation flows and reliability reviews. - Led debugging, refactoring, and code-review processes for a 4-engineer team, reinforcing testability and code quality.	
UNIVERSITY OF ARKANSAS AT PINE BLUFF	Pine Bluff, AR
Research Software Engineer	Aug 2025 – Present
- Building modular data-processing pipelines with validation checks that reduced analysis errors by 30%. - Integrating visualization integrity tests within custom Tableau dashboards, improving load consistency by 40%	
HIGH SCHOOL WEB DEVELOPMENT WORKSHOP	Pine Bluff, AR
Volunteer Instructor	June 2024 – July 2024
- Designed and taught a 5-week HTML/CSS curriculum to 20+ students. - Created hands-on projects, increasing comprehension rates by 30% based on end-of-course assessments.	

PROFESSIONAL DEVELOPMENT & LEADERSHIP

PAYPAL Career Academy – Participant	Feb 2025 – Aug 2025
- Completed a six-month professional development program focused on technical communication and engineering best practices. - Selected as one of thirty participants and completed a monthly one-on-one engineering mentorship.	
Computer Science Club – Vice President	Mar 2024 – Present
Built partnerships with tech companies, including Deloitte and AutoZone, increasing internship access by 40%.	
Honors Program – Event Coordinator	Jan 2024 – Present
Planned 4+ annual events for thirty-plus students, improving faculty-student engagement scores.	
National Society of Black Engineers – Committee Member	Jan 2024 – Present
- Organized skill-building workshops, boosting member participation by 25%. Collaborate with peers to plan networking and skill-building activities.	
Meta Scholars (TMCF) – Participant	Feb 2024 – Present
- Selected for a competitive 5-week innovation program. - Pitched a metaverse solution to industry leaders.
